

**Changes in Local Communications Services Tax Rates  
Effective July 1, 2016**

Effective July 1, 2016, some local communications services tax (CST) rates will change. The local tax rate for CST includes both the local rate imposed under the CST statute (Section 202.19, Florida Statutes [F.S.]) and the discretionary sales surtax imposed under the sales and use tax statute (Section 212.055, F.S.). The new rates are effective for all bills issued on or after July 1, 2016, regardless of the date that the service is rendered or transacted. These rates will stay in effect until further notice by the Department. This TIP includes rate changes due to changes in the county discretionary sales surtax.

The following county has a change in their county discretionary sales surtax. This means that the local CST rate for each jurisdiction within the county will change.
