

IN THE CIRCUIT COURT OF THE
ELEVENTH JUDICIAL CIRCUIT IN
AND FOR MIAMI-DADE COUNTY,
FLORIDA

PEDRO J. GARCIA, as Property Appraiser
for Miami-Dade County, Florida,

GENERAL JURISDICTION DIVISION

CASE NO. 2018-24793 CA ~~23~~ 01

Plaintiff,

vs.

COMPLAINT

THE CITY OF CORAL GABLES and LEON
M. BIEGALSKI, as Executive Director of the
State of Florida Department of Revenue,

Defendants.

Plaintiff, PEDRO J. GARCIA, as Property Appraiser for Miami-Dade County, Florida, (the "Property Appraiser") sues defendants THE CITY OF CORAL GABLES (the "Taxpayer"), and LEON M. BIEGALSKI, as Executive Director of the State of Florida Department of Revenue (the "Department"), and alleges:

1. In this action, the Property Appraiser seeks to reverse a decision of the Miami-Dade County Value Adjustment Board ("VAB") that reduced the Property Appraiser's assessment of market value in connection with the annual *ad valorem* tax assessment of certain real property owned by the Taxpayer for tax year 2017.

JURISDICTION, VENUE, PARTIES

2. This Court has exclusive jurisdiction of this equitable action pursuant to sections 194.036(1)(a) and (b), and 194.171 of the Florida Statutes.

3. The real property that is subject to the challenged *ad valorem* tax assessment is located at 358 San Lorenzo Avenue, Coral Gables, Florida 33146 (the "Subject Property"), which

10. The Property Appraiser's assessment of the Subject Property's aggregate market value for tax year 2017 was:

Property Appraiser's Market Value

03-4120-067-0040 \$51,118,500

11. To arrive at the Subject Property's assessment for 2017, the Property Appraiser applied professionally accepted appraisal practices, including the sales comparison, cost, and income approaches to real property valuation, while simultaneously considering the criteria set forth in sections 193.011 and 193.023, Florida Statutes.

12. Applying this methodology, the Property Appraiser examined income, recent sales of comparable properties, construction costs, and the Subject Property's location and condition, among other factors.

13. The Taxpayer filed a petition with the VAB contesting the Property Appraiser's assessment of the Subject Property's market value for tax year 2017.

14. After the hearing on the Taxpayer's VAB petition, held on March 28, 2018, Special Magistrate, Andres Amoedo III, recommended that the Subject Property's market value be reduced substantially.

15. The VAB adopted the Special Magistrate's recommendation. Consequently, the Property Appraiser's market value of the Subject Property for tax year 2017 was unlawfully reduced to the following value:

VAB Adjusted Market Value

03-4120-067-0040 \$43,450,725

16. The reduction represents a 15% decrease from the Property Appraiser's market value, which exceeds the variance thresholds set forth in section 194.036(1)(b) of the Florida Statutes and meets the criteria thereunder for the instant challenge.

17. The market value adopted by the VAB was unlawful given that it is below the Subject Property's true "just value."

18. The VAB's unlawful reduction will negatively impact the Subject Property's assessed value not only in tax year 2017, but also in subsequent years as a result of the assessment cap contained in Article VII, Section 4 of the Florida Constitution of 1968, and its implementing statutes, including Sections 193.155, 193.1554, and 193.1555 of the Florida Statutes.

19. Therefore, the VAB's adjusted assessment of the Subject Property for tax year 2017 violates Florida statutory and constitutional law, including without limitation, sections 193.011 and 193.1555 of the Florida Statutes, and Article VII, Section 4 of the Florida Constitution.

WHEREFORE, the Property Appraiser respectfully requests that this Court enter an order:

- a. finding that the Property Appraiser's assessment was determined by an appraisal methodology that complies with the criteria of section 193.011 and professionally accepted appraisal practices;
- b. finding that the VAB's adjusted assessment does not represent the just value of the Subject Property for the challenged tax year; and is arbitrarily based on appraisal practices that are different from the appraisal practices generally applied by the Property Appraiser to comparable property within Miami-Dade County;
- c. reinstating and certifying the Property Appraiser's assessment for tax year 2017;
- d. directing the Department to approve the Property Appraiser's assessment for tax year 2017;
- e. directing the Tax Collector to issue a revised tax bill to the Taxpayer for the deficiency, if any, in outstanding taxes and interest for tax year 2017 in accordance with § 194.192, Fla. Stat.;
- f. awarding all of the Property Appraiser's costs pursuant to § 194.192, Fla. Stat.; and

g. granting such further relief as this Court deems just and proper.
