### **New Taxing Jurisdiction Added to Communications Services Tax Effective January 1, 2019**

Effective January 1, 2019, the Village of Indiantown in Martin County, and its local communications services tax rate will be added as a local jurisdiction in the state of Florida as follows:

Indiantown	Martin	5.22%

The new jurisdiction and tax rate are effective for all bills issued on or after January 1, 2019, regardless of the date the service is rendered or transacted. This rate will stay in effect until further notice by the Department.

If you file your returns using the Department's file and pay website, you will be able to select and add Indiantown when you file your return beginning with the January 2019 reporting period.

If you file using electronic data interchange (EDI), you should add the following code in your file to represent Indiantown when you transmit your CST returns:
